Doorstep Kitchen can cater for any occasion; your office lunch, meeting, conference or party at home or at work.

This leaflet gives a flavour of what we can offer, but we are happy to work with you to create a menu that suits your occasion.

If you have any particular dishes in mind or any special dietary requirements (e.g. vegan or gluten free), just give us a call.

Sustainability is at the heart of our approach to catering.

- We **reduce waste** through our partnership with **Oxford Food Bank**, using high quality food surplus to make around 80% of our output.
- We plan our menus based on **available produce** to ensure seasonality and freshness and to further reduce waste.
- We are original signatories of the **Oxford Good Food Charter** and continue to receive advice and support from Good Food Oxford.
- We champion **recycling** and **energy efficiency** at Doorstep Kitchen HQ in East Oxford.
- A high proportion of our catering is **vegetarian or vegan** – we only supply meat-based dishes on request.
